| <div style="display: inline-block; vertical-align: top;"> <p>With over 800 aircraft, American Airlines has the largest fleet in the world, as well as one of the youngest. They offer worldwide daily departures from 112 European airports and pride themselves on providing the best of America – great service, world class entertainment, a can-do attitude, a place to work non-stop and comfort for all passengers. As the inventors of the VIP Lounge in 1939, they continue to set the standard in both in-flight and on-ground facilities.</p> </div> | | | | |

American Transit Visa

Note to all travelers:

Since 26 October 2004, it is a requirement that all passengers entering or passing through the USA have either a machine-readable passport (MRP) or hold a valid US visa. Please note that this affects ALL nationalities and that it is your responsibility to ensure you fulfill this requirement. British passport holders can find information at the [UK Foreign & Commonwealth Office website](http://www.ukforeignandcommonwealthoffice.gov.uk). For more information, please visit http://www.usembassy.org.uk/cons_new/visa/index.html

VARIG

continues on page 2

Bolivia flights page

Brazil's first commercial airline and today the largest in Latin America, Varig's fleet consists of the most modern aircraft on the market and is a member of the award-winning Star Alliance. Established in 1997 as the first truly global airline alliance to offer customers global reach and a seamless travel experience, the Star Alliance members offer more than 15,500 daily flights to 842 destinations in 152 countries.
