## Cuba flights page

One of the world's leading airlines, Air France's key strategic focus is on quality. In 2005 it had 378 airplanes in operation, flying to 200 destinations in 88 countries, and was voted the Best European Airline. It is one of the founding members of the SkyTeam Global Alliance, as well as having signed special agreements with 40 or so partners the world over. In May 2004 Air France merged with KLM, making it the world's leading airline group in terms of turnover.
